February was a spectacular month for us!

On Thurs., [Feb. 14th](#), runners convened at the store for our Valentine's Day fun run. We split into 2 groups and one did a mile run, and the other a 4 mile run. Afterwards, we enjoyed hot chocolate, brownies, and cookies! Our neighbors, Massage Envy, stopped by with Biofreeze samples for our group as well. Nate and Abby Engelberth (pictured below) won the Valentine's Day Couple gift card raffle.

On Sat., [February 16th](#), Jeff Drost (pictured below) from Craft was in our store with a wide selection of Craft base layer tops that we tested during our 5K and half marathon training group runs. Craft is very well known for it's high quality, comfortable winter apparel and we were delighted with the performance of the base layers on a particularly cold and windy day. We were also delighted that Jeff treated us with Graham crackers, chocolate and marshmallows after we got back in from the run. Look for Craft apparel in our store beginning next fall!

On Sun., [Feb. 24th](#) we were at Club Newton for their Sprint Triathlon (picture below). Participants raced in heats in three events - 500 yd swim, 20k bike and a 5k run. We cheered on the participants, passed out goodies from the store and answered questions about shoes, apparel, and products we had on display. Lucas Woody and Club Newton staff did a great job with the event and we look forward to their next in the fall.
