- Finished Edge Powerband grippers
- E.I.T. HP Carbonium Chamois from Italy
- Reflective elements for improved rider visibility

## FIT STYLE COMPARISON

### Legend:

◀ RELAXED ▶

Relaxed-fit style provides looser fitting in the shoulders, torso, neck and arms.

● STANDARD ●

Standard-fit style provides regular fitting, balancing aerodynamic performance with comfortable functionality.

▶ SLIM ◀

Slim-fit style provides form fitting performance through a streamlined 'next-to-body' design.

### Update for 2014

As of 2014, our Fit Style names changed to be more descriptive:

- **RELAXED** Fit Style is our new description for "Sport."
- **STANDARD** Fit Style is our new description for "Race."
