Parking:
There are public City of Broken Arrow lots available very close to Fleet Feet Broken Arrow:

East of store, 1st and Dallas
West of store, Ash and Dallas
PAC lots, Houston and Main

Plenty of parking is available in these lots near the store. Do not park on Main Street as it will be closed for the race.

Race Timing:
The 5km run will be timed using the BIB-TAG system – your race number will have a timing device attached to the back of the race number; do not remove to bend this device. Simply wear the Bib on the FRONT of your body on the outside of your clothing so it is visible and facing forward. You do not need to return the Bib or Tag, it is disposable.

Post-Race:

We will have cookies for all finishers from Merritt's bakery!   Santa Claus will be at the race as well! Bring your camera to get your photo taken with Santa!
