Stroller 5km entrants – please stage yourselves at the front of the start corral for your 7:25 am start. Be aware that the main field of the 5km will start five minutes after you and it is likely you will get passed by some of the faster 5km runners. The roads are wide so please stay to the right after you get a few blocks from the start to avoid congestion as the main field approaches.

All races will receive a custom finisher medal!

Age group and overall awards for the 5k will be presented in the back parking lot of Fleet Feet Blue Dome at 8:45 am.

Post-race we will have a live band, fruit and breakfast tacos (including vegetarian and vegan options), Gatorade, bottled water, soda and beer for those over 21.

If you want to have a beer after the race (Marshalls Brewing craft beer), you must bring your ID to show you over 21 to receive a special wrist band. You can get the wrist band either before or after the race.

Results will be posted live during the race, and can be found at this link:

Finally - we could use a few more volunteers. If you know of anyone who can help direct them to this site to sign up: <http://signup.com/go/Y5pVYF> Spots we need help with: Setup, Registration, Food, Awards Tent. If you are running or walking you could also assist before your race with setup or registration.

Thanks, Tim Dreiling
