

Hi, %FIRST_NAME%!

We hope that this email finds you well and healthy!

We are happy to announce that the Rochester Regional Health Flower City Challenge is returning to Blue Cross Arena on April 24, 2022!

You are receiving this email because you currently have a **half marathon relay** entry deferred from previous years.

Starting at 10am on Saturday, January 1, registration will be opening for the April 24th event.

Unfortunately, we will not have a relay option available at this event, so you will receive a half marathon and 5K entry.

If you feel more comfortable competing virtually, you are welcome to do so and will have that option presented to you as you follow the steps below. If you do not claim your deferral, you will be forfeiting your previously paid registration fee. There are no refunds or further deferrals.

You have until 11:59pm on Monday, January 31st to complete your deferral.

How to Claim your Registration

Please respond to this email including:

- Your first and last name
- Your former relay partner's first and last name
- Your former relay team name.

We will respond to you with coupon codes that you will be able to use towards your new half marathon and 5K entries.

Special Notes

- The above option is the only one available. Refunds and deferring your

registration further are not available.

- The option to complete your deferral will close at 11:59pm on January 31st!
- Registration for the half marathon and 5K will be open to the general public, so encourage your friends/family to join you!
- If you prefer, there are virtual options for both the half marathon and 5K.

Please let us know if you have any questions!

Thank you,
YellowJacket Racing

Rochester Regional Health Flower City Challenge

**Rochester, NY
Sat April 23 - Sun May 1 2022**
