**ARTEMIS**  
INITIATIVE  
EMPOWERING THE WORKFORCE OF THE FUTURE

# Empower

## A Changing Economy

- ▶ **54 million U.S. jobs** may be lost by 2030 due to automation.
- ▶ **60% of jobs** have at least some tasks that may be automated.
- ▶ The fastest growing need for upskilling is for workers without a 4-year degree.

## The Artemis Initiative

- ▶ **Train workers** in the skills needed in the future state of work.
- ▶ **Provide pathways** to credentials and jobs working with future state technology.
- ▶ **Develop technology** that ethically integrates into everyday work activities.
- ▶ Collaborate with employers to ensure roles and hiring practices are **inclusive**.
- ▶ **Advocate** for policies that will allow vulnerable populations to thrive in the 4th Industrial Revolution.
- ▶ **Empower people** to discover their potential and adapt for the future through the power of work..
- ▶ Providing workforce development services for **127 years** to **632,000 individuals**.
- ▶ Part of an international network of **150+ Goodwill organizations**, the leading workforce development entity in the United States.
