About: Founded in 1894, Goodwill of Western Missouri & Eastern Kansas has been providing more than 125 years of service. MOKAN Goodwill is a CARF-accredited 501(c)(3) nonprofit organization dedicated to helping individuals with disabilities and other barriers to employment obtain jobs, essential skills training and personal development opportunities. On average, 88¢ of every dollar Goodwill spends supports individualized programs and services that empower job seekers with different abilities. With 14 retail stores and two attended donation centers, Goodwill has an annual economic impact of more than $16 million dollars in Kansas City and its surrounding communities. As a 2018 Kansas City Industrial Council (KCIC) gold medal winner, Goodwill is also recognized as a leader in sustainability, annually diverting more than 17 million pounds of donated materials to resell, reuse or recycle.
