CELEBRATING 125 YEARS OF SERVICE

MISSION

We EMPOWER people to discover their potential and adapt for the future through the power of work.

Founded in 1894, Goodwill of Western Missouri & Eastern Kansas has been providing services to our communities for 125 years.

MOKAN Goodwill is a CARF-accredited 501(c)(3) nonprofit organization dedicated to helping individuals with disabilities and other barriers to employment obtain jobs, essential skills training, and personal development opportunities.

On average, 88¢ of every dollar Goodwill spends supports individualized programs and services that empower job seekers with different abilities. With 14 retail stores and two attended donation centers, Goodwill has an annual economic impact of more than \$16 million in Kansas City and its surrounding communities.

As a 2018 Kansas City Industrial Council (KCIC) gold medal winner, Goodwill is also recognized as a leader in sustainability, annually diverting more than 17 million pounds of donated materials to resell, reuse or recycle. Today, Goodwill continues to be a non-profit leader by providing ever-changing resources and services to individuals who face barriers to employment. We believe every person deserves the opportunity to work.
