

Still need Health Insurance?

From February 16st through November 15th, 2015 you MUST have a Qualifying Life Event to enroll in Individual Coverage.

1. Are you single and make between \$11,670 - \$46,680 annually?
2. Do you have a family (example) of 4 and make between \$23,850 - \$95,400 annually?
3. Are you **NOT** currently eligible to be on your Spouse's employer group health plan?
4. Are you newly eligible to be enrolled in COBRA (within 60 days of leaving Employer)?

If you answered YES to all of the above questions then you may qualify for assistance in paying your health premiums!

(If you or your family is eligible for medical coverage through an Employer, and it is considered *affordable*, you are **NOT subsidy eligible.)**

Most everyone will be required to purchase Health Insurance or pay a significant penalty.
