### Chapel Hill Country Club – Rules Sheet

1. **FORMAT: Captain's Choice**  
Blue tees: All male golfers 64 and under  
White tees: Male golfers 65 and over  
Red tees: Female golfers
2. **Routine for each hole:**
  - Each member of the group tees off.
  - With the approval of the other members of the group, the team captain decides which ball is the most desirable drive off the tee.
  - The other players then pick up their balls and proceed to the location of the best drive where they each play their second shots within one club length of the chosen drive.
  - This procedure is continued until the ball is holed out.
3. If the selected ball is in a hazard, all balls must be played within the hazard. Players may rake bunkers between shots of those played from bunkers.
4. **Handicaps:** The team handicap will be calculated by using 25% of the A Player, 20% of the B Player, 15% of the C Player, and 10% of the D Player.
5. **Flights:** Men's, Women's, Mixed with gross and net winners for each
6. **Missing player procedure:** If a team has only **three** players, the remaining players would, in rotation, play a second ball. For example, on the first hole the first player would hit two shots each time.
7. **Golf carts are allowed on the fairways except for the par 3's; please stay off pine straw**
