

OUR DONORS

JANUARY 1 THROUGH JUNE 30, 2014

Recently our Board of Directors authorized a change in our fiscal year to start July 1 to manage the flow of income and expenses more effectively. Other than preparation of financial statements and when we have our independent audit done, this change does not affect the operation of SECU Family House. Most importantly, it does not affect how we support families at Family House – we are here 365 days to care for families.

Thank you for your vital support of SECU Family House. Listed below are all cash or equivalent donations we received **January 1, 2014, through June 30, 2014**. Gifts made on or after July 1, 2014, will be acknowledged in our next annual report, to be published in summer 2015. *
