

LB 1090
General Affairs Committee
Written Position Letter of Chris Wagner
Project Extra Mile
11620 M Circle, Omaha, NE 68137
February 10, 2020

Good afternoon, Chairman Brieese and members of the committee. My name is Chris Wagner, and I am the Executive Director of Project Extra Mile, a network of community partnerships across the state working to prevent excessive alcohol consumption and its tragic consequences.

I am unable to attend today's hearing, but I wanted to express our support for LB 1090 for the simple reason that we believe that businesses that have not paid their local taxes or fees for at least 90 days are at a higher risk to be violating other laws and regulations, such as those outlined under the Nebraska Liquor Control Act.

We ask that the committee advance LB 1090 and include this position letter in the official public hearing record. Thank you for your consideration.
