Purchase orders are accepted only in accordance with Seller's prices, lead times, terms and conditions. Provisions contained in Buyer's purchase orders which are inconsistent with the provisions of this quotation are not binding upon the seller. These terms and conditions cannot be modified without prior written consent of ABCO Wire & Metal. Clerical errors subject to correction.

Terms

Manufacturing to start after approval of sample, approval of terms, and the receipt of a complete purchase order
Complete purchase order includes: billing and shipping addresses - terms of payment - price of product
All items will be invoiced upon manufacturing completion.
Partial shipments will be invoice at the time of shipment
Production orders with credit approval are - 50% deposit, remaining including freight net 10
Samples are - COD or prepaid for samples and freight
Freight if prepaid by ABCO - add 10%
Handling Charge \$5.00 for each additional ship to location. Possible additional packaging fee for multiple locations
Credit card payments - add 4.5%
Wire payments must cover all bank charges - \$15.50 each transfer

Orders subject to the following over run percentages: 1-99 subject to 15%, 100-249 subject to 10%, 250 and above 5%.

Prices do not include sales tax. Taxes will added to the invoice as a separated charge to be paid by the buyer.
Resale number must be provided when order is placed if applicable
Tooling costs shown above are for the cost of assembly jigs required for welding. These wear out through usage, and will be replaced and repaired at ABCO's cost for repeat orders, and do not become the property of the customer.

Shipment and Delivery

Shipping dates are approximate and are not guaranteed.
The purchaser of the products herein mentioned will be responsible for freight on returned product due to incorrectly supplied address, refused or undeliverable shipments.
All agreements made contingent upon strikes, fires, accidents, failure or delay of a carrier or other circumstances beyond our control.

Indemnification

The purchaser of the products herein mentioned agrees to assume the defense of any suit for infringement of patents brought against this company, by reason of the manufacture of such goods and to fully indemnify this company against any damages or costs in such suit.

Warranty

When material furnished by us is in any way defective, and we are promptly notified, we may accept its return or replace it, but will not allow any claims for labor or expenses incurred in using such material. Material furnished by suppliers to ABCO are warranted by ABCO only to the extent of the original manufacturer's express warranty to ABCO.

Cancellation

Cancellation. Buyer may cancel this contract only upon written notice to Seller and upon payment to Seller of reasonable cancellation charges, including but not limited to: 1) the proportionate contract price for all material completed; 2) all costs incurred by Seller in connection with material uncompleted at the time of cancellation notice. 3) an amount equal to the percentage of profits on all such costs 4) expenses incurred by Seller for any charges arising from termination of sub-contract claims.
