

Community Impact

Finding lasting solutions to change people's lives

Education - Learn Well

Educational opportunities should be available to ensure that all reach optimal potential so Central Texas has a strong workforce for years to come.

Financial Stability - Earn Well

All should have the opportunities and tools to lead productive, financially stable, and independent lives.

Health - Live Well

All children, adults, and seniors should have access to health services which protects and improves health and well-being among individuals and enhances measurable health outcomes of communities.

LIVE UNITED

**UNITED WE FIGHT.
UNITED WE WIN.**

CHANGE DOESN'T HAPPEN ALONE

**TOGETHER. WE WILL TACKLE
THE TOUGHEST PROBLEMS**

LIVE UNITED

United Way fights for the **health**, **education**, and **financial stability** of every person in our community.

We are **MORE THAN FUND-RAISERS**. We are **HAND-RAISERS**. We **FORGE UNLIKELY PARTNERSHIPS**; we find **NEW SOLUTIONS** to old problems; we **MOBILIZE THE BEST RESOURCES**; and we **INSPIRE INDIVIDUALS** to join the fight against their community's most daunting social crisis. Together, we will tackle the toughest problems.

United Way of Central Texas needs you to join the fight—because your passion, expertise, and resources will help the **fight** become a **win**.

We win when we Live United!

How We Tackle These Issues

Volunteers lift up our neighbors and the community through ongoing volunteer projects creating impact. Our online volunteer portal makes it easier than ever to match volunteers to projects in our community.

Annual campaign and grants fuel our work. In 2018-19, contributions topped \$1.5 million into programs and initiatives advancing the common good. An undesignated contribution to the Community Impact Fund is the most effective way to support the whole community, helping people learn more, earn more, and lead safe and healthy lives.

Special Initiatives

Dial 2-1-1¹ when you don't know who to call, whether you need help finding child care, SNAP benefits, care for an aging parent, or a haven from domestic violence.

BridgeS to Wellness and Health provides temporary assistance to clients unable to afford medically necessary prescriptions, equipment, and transportation.

The Volunteer Income Tax Assistance Program (VITA)² offers free tax help to households that make \$55,000 or less and need assistance in preparing their tax returns.

Volunteers and Community Partners evaluate and make investment decisions for every service, making sure we are achieving measurable outcomes.

Community Hub

Community Hub³ is a cooperative program with Scott and White Health Plan to remove barriers to quality health care and address social determinants of health-economic and social situations that affect health status. Case managers identify and connect patients to resources relating to housing, food, child/eldercare, transportation, utilities, employment, family/community support, birth certificates, home modifications, and other needs.

¹2-1-1 Texas is a program of the Texas Health and Human Services Commission in collaboration with United Way of Central Texas.

²This UWCT program is funded in part through a federal grant from the IRS and a BBVA Compass Foundation grant.

³Community Hub is a program of Scott & White Health Plan (SWHP) in collaboration with United Way of Central Texas to provide navigation services for SWHP RightCare members.
