

JOHN MAYO MEMORIAL

GOLF

TOURNAMENT

June 27, 2022

Wildflower Country Club

John Mayo was one who loved supporting the community through his love for golf. His heart was generous in every way. Therefore, his family and friends believe another way to honor the life of John is hosting a memorial golf tournament where all proceeds will benefit Central Texas Youth Services. This organization provides services to at-risk, runaway, homeless, and exploited youth in Central Texas and their mission was very important to John. Together, John and Nikki served on the board and had a true passion for all the organization stands for.
