Dear

My name is Mr. Millar Freudstein; I am a named partner at Millar & McLean LLP. It may surprise you to receive this letter from me since there has been no previous correspondence between us. There is an unclaimed "Permanent Life Insurance Policy" held by our deceased client.

The policy pertains to an unclaimed "Payable-After-Death" (PAD) savings monetary deposit in the sum of Ten Million Six Hundred and Fifty Thousand US Dollars (\$10,650,000) with one of the prime global insurers. The policy holder was one of our clients, who worked as a contractor in the Oil & Gas Sector in Canada and other countries. He died in an accident nine (9) years ago. Since His death no one has come forward to claim and all our efforts to locate his relatives have proven unsuccessful.

The insurance company policy stipulates that "Insured Permanent Policies" not claimed must be turned over to the abandoned property division of the provincial treasury after deadline.

Therefore, I ask for your consent to be in partnership with me for the claim of this policy benefit; in view of the fact that you share the same last name and nationality with the deceased. If you permit me to add your name to the policy, all proceeds will be processed on your behalf. I wish to point out that I want 10% of this money to be shared among charitable organizations of your choice, while the remaining 90% will be shared between us (50/50).

This is 100% risk free, I do have all necessary documentation to expedite the process in a highly professional and confidential manner. I will provide all the relevant documents to substantiate your claim as the beneficiary. This claim requires a high level of confidentiality and it may take up to thirty (30) business days, from the date of receipt of your consent.

Contact me through my private email MILLARF1960@GMAIL.COM

Your earliest response to this matter would be highly appreciated.

Best regards,

Millar Freudstein
