

## **CLAIMS ARISING OUT OF SERVICE AS REGISTERED AGENT**

There have been some recent questions as to whether Lawyers Mutual's policy provides coverage for claims arising out of an insured's service as a registered agent. Lawyers Mutual would like to assure its insureds that its policy does provide coverage for claims made against its insureds arising out of the insured's service as a registered agent for a client. If anyone has any questions about this issue or any other coverage or underwriting issues, you are encouraged to contact Lawyers Mutual. We can offer valuable risk management advice for attorneys who choose to serve as registered agent for their clients.
