“One of America’s Best Small Communities to Raise a Family”~ *U.S. Media Group, 2013*

Vision Statement

Vision to
Improve the
Lifestyle and
Landscape of
Ayden through
Growth and
Enrichment

A clean, safe, and attractive community that encompasses characteristics of a village; consisting of an economically thriving retail and service Historic downtown district that is abutted by residential neighborhoods providing a good mix of housing options and that are within walking distance to downtown and recreational opportunities; and that are all surrounded by a flourishing and prosperous commercial and industrial corridor. Ayden is a vibrant community with hometown charm.

The Arts & Recreation Foundation of Ayden was formed in 2015. The Foundation was given the task of raising the funds to complete the Ayden District Park by 2020. With the help of the Town of Ayden Commissioners, and the Arts & Recreation Board and Arts & Recreation Department, Phase 1 was completed.

Phase 1 houses the splash pad, 2 soccer/football fields, volleyball courts, picnic shelters, bocce ball and shuffleboard, as well as restroom facilities. It also includes a quarter mile walking trail, parking lots, and an 18 hole Frisbee golf course. When Phases 2 & 3 are complete, the District Park will include a four-baseball field complex with a concession stand, restrooms, scoreboards, speaker system, an outdoor amphitheater, and two more picnic shelters.

The Arts & Recreation Foundation is not a part of the Arts and Recreation Department. The Foundation’s task is to raise money to complete the District Park. If you are interested in sponsoring a specific part of the Park or just wish to make a donation, a donation of any amount will be greatly appreciated. Our goal is to complete the Park and to make The Ayden District Park a Park of Distinction.

FOR IMMEDIATE RELEASE

Interim Town Manager Leonard Barefoot announced that City of Oxford NC Public Works Director James Proctor will assume the position of Public Works and Utilities Director for the Town of Ayden effective March 28th. According to Barefoot, Proctor was selected from a quality pool of interested applicants. “Mr. Proctor has more than 20 years in various public works and utility disciplines including more than 10 years at DuPont in Kinston. His broad range of experience stood out in his interview and will be a plus for him in his position with the Town of Ayden,” stated Barefoot.

In addition to several state required certifications and classes related to his new position, Proctor has a B.S. degree in Business Administration from Mount Olive University. Proctor has served on multiple state committees with emphasis on operator certification and operator ethics. He was voted Wastewater Operator of the Year in 2007 from the NC American Water Works Association. Proctor succeeds Robert Sutton who served as Public Works and Utilities Director for more than 11 years before resigning to take a similar position in Winterville.

Proctor and his wife of 24 years, Wendy, have two children and reside in Greenville, NC, a factor which influenced Proctor to apply for the position. “While I’ve thoroughly enjoyed my experiences in both Youngsville and Oxford, Ayden offers me a unique opportunity. I look forward to the challenge,” stated Proctor. According to Barefoot, Proctor will earn an annual salary of \$72,500 in his new position.
