Enrichment

A clean, safe, and attractive community that encompasses characteristics of a village; consisting of an economically thriving retail and service Historic downtown district that is abutted by residential neighborhoods providing a good mix of housing options and that are within walking distance to downtown and recreational opportunities; and that are all surrounded by a flourishing and prosperous commercial and industrial corridor. Ayden is a vibrant community with hometown charm.

FEATURED NEWS

2015 Hurricane Season

Fortunately, we expect a quiet hurricane season this year with experts predicting only 4 to 6 named storms (the yearly average has been about 11!). One to three may grow strong enough to become hurricanes according to NC State University Professor Lian Xie, who specializes in marine, earth and atmospheric sciences.

Here’s a few hurricane preparedness tips you may find useful:

- Determine where you would go and how you would get there if you needed to evacuate
- Clear loose and clogged rain gutters and downspouts
- Install straps or additional clips to securely fasten your roof to the frame structure to help reduce roof damage
- Build an emergency kit and make a family communications plan
- Cover all your home’s windows with permanent storm shutters or by boarding them up with 5/8” plywood, cut to fit. NOTE: tape does not prevent windows from breaking
- Reinforce your garage doors; if wind enters a garage it can cause dangerous and expensive structural damage

Let’s all be safe this summer!

Collard Festival Volunteers

The Ayden Collard Festival Committee is busy planning the next festival. If you’re interested in being a volunteer, they would appreciate the help! Please contact Pat Tripp at (252) 714-2149 or email: trippat@yahoo.com. *Thanks!*

Splash Pad Opens Soon!

Open from dusk until dawn, there’s something for everyone at the District Park. **The splash pad will open June 15th** and be open all summer. Daily hours are 10 am to 5 pm, Monday through Saturday. A daily admission pass is only \$2 per person to use the splash pad. The Splash Pad is “first come, first served” but can accommodate 60 kids at one time. Please make sure your children wear a swim suit and water shoes (rubberized bottoms) as flip flops are not allowed due to safety concerns. Please call 481-5823 to reserve the shelter (\$40 for 4 hours; \$70 for 8 hours). There will be a park attendant on site each day to address any concerns.

Are You Filling a Swimming Pool This Summer?

Before you turn on the facet :

- Call Customer Service first (481-5823). Ayden’s Water-Sewer department will need an initial water meter reading as well as measurements of the pool to be filled.
- Be Perceptive. Please make sure the pool is filled as quickly as possible.
- Be Observant. If there are any problems such as leaks, please call us immediately.
- Be Prompt. When finished, let us know! Our water/sewer department must take the final water meter reading and pool water volume.

These tips will help you save \$\$\$ on your monthly sewer bill!

Saving Water ... Easy as 1 - 2 - 3

Here's a few conservation tips that can translate into savings on your utility bill:

1. If your flapper doesn't close after flushing, replace it.
2. Use the garbage disposal sparingly. Compost vegetable food waste instead and save gallons of water.
3. If your shower fills a one-gallon bucket in less than 20 seconds, replace the showerhead with a water efficient model.

Your choices make a difference!

Please note: The Town does not fix a leak around your toilet—only leaks in a water line that the Town maintains (hint: it's out by the road)
