

Job Title: Social Worker II/ Care Mgmt for at Risk Children (CMARC)
Hiring Salary Range: \$41,984 - \$44,194
Appointment Type: Full-time
Location: Health Department
Posting Date: April 28, 2021
Closing Date: May 14, 2021

Attention Applicants:

To apply submit a Franklin County application to the Franklin County Health Department (FCHD), Attn: Scott LaVigne, Health Director, 107 Industrial Drive Suite C, Louisburg, NC 27549 by 5:00 p.m. on the closing date. Resumes are not accepted in lieu of County applications. A separate application is required for each position for which you want to apply.

Position Summary: The CMARC program strives to improve health outcomes and reduce costs for children & families enrolled in the program. This position collaborates with families to assure identification of, and access to, preventive, specialized and support services for Parents and their children. This position assesses, makes referrals, and engages with families and children through: face to face contact; advocacy; collaboration with multidiscipline programs and providers of care; development of individualized service plans based on family need; and assuring that each child has a primary physician or medical home for ongoing service/care, all to improve health outcomes according to a standardized plan individualized to family-need. This position supports and advocates for the social health of clients served by members of the Care Coordination Unit. Maintains a constant flow of information internally with the FCHD child health staff and the Lead CMARC CM/ Health Director. Participates as a member of the team providing support for all health department programs especially when covering for other care coordination staff positions/leave.

Knowledge, Skills and Abilities: Must have a general knowledge of, and experience with: pediatric populations; child developmental milestones; social theory & determinates of health; cultural impacts; I/DD and emotional disorders or deficits and their individual and combined effect on outcomes. Data entry, trending, and computer software program knowledge is expected. Familiarity with medical terminology, EHR, CMS is desirable. Prefer insurance billing and problem resolution experience. Must be capable of communicating with people from various professions, backgrounds, and cultures through multiple media (i.e. in-person; phone; email; text etc.).

Education or Experience Requirement: While the regulations allow for a Bachelor's degree in Social Work (BSW), given NC's Medicaid Transformation requirements for care coordinators/managers, **only those with Master's degree in Social Work (MSW) from a Council on Social Work Education accredited social work degree program and licensed in North Carolina will be considered for this position.** Two years of directly related experience preferred.

Licenses: Must be a Licensed Clinic Social Worker (LCSW) in North Carolina, or be eligible to sit for the exam within one year of employment; must possess a valid North Carolina driver's license upon hire.

Benefits: Participation in Local Government Retirement System; 4% Employer contribution 401k; Medical/dental insurance (two options: one single option with no employee contribution) available first day of month following 30 days of employment); no cost life insurance; vacation/sick leave and paid holidays.

Required Immunizations

The following are immunizations that we require for all employees prior to the first date of employment:

- Two step TST (skin test) If you have had a negative TST within the last 12 months, you must have another one completed prior to employment
- Proof of MMR (measles, mumps and rubella) immunity: You must have documentation of two doses of measles, mumps and rubella given at least 28 days apart or laboratory evidence of immunity or laboratory confirmation of disease
- Hepatitis B series: Either evidence of 3 doses; signed declination form or lab evidence of immunity
- Evidence of Tdap vaccine
- Evidence of varicella immunity: You must have documentation of two doses of varicella given at least 28 days apart or a history of varicella or herpes zoster based on physician diagnosis or laboratory evidence of immunity or laboratory confirmation of disease
- **If working in the lab, must have documented proof of one dose of meningococcal vaccine**

Franklin County is an Equal Opportunity Employer.

The County prohibits discrimination based on race, sex, color, creed, national origin, age or disability.

Pre-Employment Drug Screen and Criminal Background Screening is required.
