**Franklin County COVID-19 Emergency Operations Center (EOC) Press Release**

**COVID-19 Vaccine Clinic on 2-18-21 CANCELLED Due to Weather**

**From:**

Scott S. LaVigne, MSW, MBA  
Franklin County Health Director  
Public Information Officer, Franklin County COVID-19 Emergency Operations Center (EOC)

**Communication:**

The Franklin County COVID-19 Vaccine Clinic scheduled for Thursday, February 18, 2021 at the Triangle North Executive Airport in Louisburg has been cancelled due to weather. If you were scheduled for a vaccine, you will be contacted within 24 hours to reschedule. If you do not hear from us within 24 hours to reschedule, please email [COVIDvax@franklincountync.us](mailto:COVIDvax@franklincountync.us) for a faster response. If you do not have email, you may call 919-729-0654 but please note that due to a high volume of calls, response times via telephone are slower.

Please note that for second-doses of Pfizer and Moderna vaccines, the return-date on the back of the vaccine card is the **suggested** return-date: everyone scheduled for a second dose for 2/16/21 and 2/18/21 from the Franklin County Health Department can be rescheduled for next week and still be within CDC guidelines for timing of their second dose.

The Franklin County COVID-19 Emergency Operations Center, the Franklin County Health Department and Emergency Management Services newest joint-mission is to **safely** administer the greatest number of vaccines to the largest number of eligible people, in the shortest time possible. We regret any inconvenience this may cause.
