The amount of available funds as well as the number of requests for assistance are considered each year as the camping season approaches. In order to ensure that as many children as possible are provided the opportunity to have a camping experience, Happy Camper will assist with funding based on household size and income. ***It is the mission of Happy Camper to provide an opportunity for children to attend camp who would not have such opportunity without the financial assistance provided by Happy Camper.*** When considering the mission of Happy Camper those households with income above 200% of the Federal Poverty Level would not be appropriate to receive funding. Other Households may have a sliding scale fee based on the amount of funding available and the number of requests for the season.

Completed Applications must be returned to
Happy Camper PO Box 669, Louisburg, NC 27549.
