Appointment Type: Full-time
Location: Health Department
Posting Date: August 20, 2021
Closing Date: Open Until Filled

Attention Applicants:

To apply, submit a Franklin County application or PD 107 to Franklin County Health Department, Attn: Scott LaVigne, 107 Industrial Drive Suite C, Louisburg, NC 27549 by 5:00 p.m. on the closing date. Resumes are not accepted in lieu of County applications. A separate application is required for each position for which you want to apply. **Please attach a college transcript and three references.**

Position Summary:

Under direction of the FCHD Director of Nursing, and supervision of the Nursing Supervisor, this position provides direct clinical work within all of our local health department programs including: Child Health; Family Planning; Maternal Health; Adult Health; Immunizations; STD, Nurse Clinic; and in our Communicable Disease program when needed.

Strong work-life balance that includes: 40-hour Monday-Friday workweek, with no scheduled evenings or weekends; Twelve (12) paid holidays per year; generous vacation & sick-time; generous & affordable health insurance; and employee wellness program with **free** use of well-equipped onsite exercise facility (for those with county health insurance), all make this an ideal place to work.

Education or Experience Requirement:

Graduation from a four-year college or university with a B.S. Degree in Nursing, which includes a Public Health Nursing rotation; or graduation from an accredited school of professional nursing and one year of professional nursing experience; or an equivalent combination of training and experience. **Fluency in Spanish/English preferred, but not required.**

Special Requirement:

Must have a current license to practice as a Registered Nurse in North Carolina by the NC Board of Nursing and a valid North Carolina Driver's License.

Benefits:

Two insurance options (one individual plan is 100% employer-paid; other plans have employee contributions); insurance begins the first day of the month after 30 days of employment; employer-paid 4% 401K; participation in state local government retirement plan; no-cost life insurance; 12 paid holidays; paid vacation & sick-leave.

Required Immunizations:

The following are immunizations that we require for all employees prior to the first date of employment:

- Two step TST (skin test) If you have had a negative TST within the last 12 months, you must have another one completed prior to employment
- Proof of MMR (measles, mumps and rubella) immunity: You must have documentation of two doses of measles, mumps and rubella given at least 28 days apart or laboratory evidence of immunity or laboratory confirmation of disease
- Hepatitis B series: Either evidence of 3 doses; signed declination form or lab evidence of immunity
- Evidence of Tdap vaccine
- Evidence of varicella immunity: You must have documentation of two doses of varicella given at least 28 days apart or a history of varicella or herpes zoster based on physician diagnosis or laboratory evidence of immunity or laboratory confirmation of disease.
