

Job Title: Public Health Educator II
Minimum Salary: \$45,520
Appointment Type: Full-time
Location: Health Department
Posting Date: September 13, 2021
Closing Date: September 27, 2021

Attention Applicants:

To apply submit a Franklin County application to Franklin County Health Department, Attn: Scott LaVigne, Acting Health Director, 107 Industrial Drive Suite C, Louisburg, NC 27549 by 5:00 p.m. on the closing date. Resumes are not accepted in lieu of County applications. A separate application is required for each position for which you want to apply. **Please attach a college transcript and references.**

Position Summary:

This is an advanced health education position that: assists in completing the Community Health Assessment; completing the State of the County Health Report; Accreditation; Grant RFP Response and Grant Management; and many other programs within the health department. This position provides health education to the community and to patients of the health department

Education or Experience Requirement:

A master's degree in public health education with a major in public health education; **or** graduation from a four-year college or university with a major in health education and two years of experience in public health education or a related field; **or** graduation from a four-year college or university and three years' experience in public health education; **or** an equivalent combination of training and experience.

Required Immunizations

The following are immunizations that we require for all employees prior to the first date of employment:

- Two step TST (skin test) If you have had a negative TST within the last 12 months, you must have another one completed prior to employment
- Proof of MMR (measles, mumps and rubella) immunity: You must have documentation of two doses of measles, mumps and rubella given at least 28 days apart or laboratory evidence of immunity or laboratory confirmation of disease
- Hepatitis B series: Either evidence of 3 doses; signed declination form or lab evidence of immunity
- Evidence of Tdap vaccine
- Evidence of varicella immunity: You must have documentation of two doses of varicella given at least 28 days apart or a history of varicella or herpes zoster based on physician diagnosis or laboratory evidence of immunity or laboratory confirmation of disease
- **If working in the lab, must have documented proof of one dose of meningococcal vaccine**

Franklin County is an Equal Opportunity Employer.

The County prohibits discrimination based on race, sex, color, creed, national origin, age or disability.

Pre-Employment Drug Screen and Criminal Background Screening is required.
