AIRPORT MASTER PLAN UPDATE 2019-2020

Public Information Open House

Triangle North Executive Airport is currently planning for future growth over the next 20 years. The Airport Master Plan Update is a federally-funded project that will provide the

Airport with a blueprint for long term development. The plan will provide guidance necessary to maintain a safe and efficient airport and accommodate anticipated growth.

Triangle North Executive Airport is hosting a Public Information Open House regarding the preparation of the Master Plan Update. The Airport wants to keep you informed about the airport and would like your input. Anyone interested in learning more about the Master Plan Update is welcome anytime during the 1 1/2 hour open house.

Representatives of the Airport and Consultant Team will be available to provide information and answer questions about the project. A short presentation will be provided at 5:30 pm to present study findings to date. Your input is important to the outcome of this study and the future of Triangle North Executive Airport.
