FRANKLIN COUNTY

PRESS RELEASE

Boil Water Advisory Lifted in Franklin County

Franklin County, June 7, 2017: Franklin County Public Utilities has now cancelled its boil water advisory. Franklin County's main water supplier, the City of Henderson, experienced pump failures on June 5, 2017 which led to low water pressure in their system and the subsequent boil water advisory. All water conservation measures have been lifted as well.

Franklin County Government is committed to effective and innovative public services for all Franklin County citizens and businesses.
