

Job Title: Public Health Nurse I – Communicable Disease (CD) & Float
Hiring Salary Range: \$47,649 - \$50,157
Appointment Type: Full-time
Location: Health Department
Posting Date: September 22, 2020
Closing Date: October 16, 2020

Attention Applicants:

To apply, submit a Franklin County application or PD 107 to Franklin County Health Department, Attn: Scott LaVigne, 107 Industrial Drive Suite C, Louisburg, NC 27549 by 5:00 p.m. on the closing date. Resumes are not accepted in lieu of County applications. A separate application is required for each position for which you want to apply. **Please attach a college transcript and three references.**

Position Summary:

Under direction of the FCHD's Director of Nursing and supervision by the Communicable Disease Coordinator, this position primarily works within our Health Department's Communicable Disease Programs, responsible for communicable disease: tracking; reporting; contact tracing; follow-up and treatment administration. Position serves as part of the Health Department's Epidemiological Team. During slower CD work-flows, this position could also provide direct clinical work within all of our local health department programs including: Child Health; Family Planning; Maternal Health; Adult Health; Immunizations; STD and Nurse Clinic.

Strong work-life balance that includes: 40-hour Monday-Friday work-week, with no scheduled evenings or weekends; Twelve (12) paid holidays per year; generous vacation & sick-time; generous & affordable health insurance; and employee wellness program with **free** use of well-equipped onsite exercise facility (for those with county health insurance), all make this an ideal place to work.

Education or Experience Requirement:

Graduation from a four-year college or university with a B.S. Degree in Nursing, which includes a Public Health Nursing rotation; or graduation from an accredited school of professional nursing and one year of professional nursing experience; or an equivalent combination of training and experience.

Special Requirement:

Must have a current license to practice as a Registered Nurse in North Carolina by the NC Board of Nursing and a valid North Carolina Driver's License.

Benefits:

Two insurance options (one individual plan is 100% employer-paid; other plans have employee contributions); insurance begins the first day of the month after 30 days of employment; employer-paid 4% 401K; participation in state local government retirement plan; no-cost life insurance; 12 paid holidays; paid vacation & sick-leave.

Required Immunizations:

The following are immunizations that we require for all employees prior to the first date of employment:

- Two step TST (skin test) If you have had a negative TST within the last 12 months, you must have another one completed prior to employment
- Proof of MMR (measles, mumps and rubella) immunity: You must have documentation of two doses of measles, mumps and rubella given at least 28 days apart or laboratory evidence of immunity or laboratory confirmation of disease
- Hepatitis B series: Either evidence of 3 doses; signed declination form or lab evidence of immunity
- Evidence of Tdap vaccine
- Evidence of varicella immunity: You must have documentation of two doses of varicella given at least 28 days apart or a history of varicella or herpes zoster based on physician diagnosis or laboratory evidence of immunity or laboratory confirmation of disease.

Franklin County is an Equal Opportunity Employer.

The County prohibits discrimination based on race, sex, color, creed, national origin, age or disability.

- Pre-Employment Drug Screen and Criminal Background Screening is required -
