The applicants are proposing to use the existing grounds and horse barn for weddings and other events. The applicants' personal residence is located on the property. The site plan shows a one (1) acre area designated for parking off the existing 25' gravel driveway to accommodate approximately 250 guests. The existing tree line and vegetation will meet Article 14 Landscape Requirements for screening. NCDOT has indicated in the attached email that a driveway permit will not be required for this site. According to the Comprehensive Land Use Plan, the subject parcel and surrounding parcels are designated as Office & Institutional. If the Board grants approval of this request, the applicant will be required to meet all other applicable local and state requirements.
