	ZONING	LAND USE
<b>Subject Property</b>	R-30 Residential	Vacant
<b>North</b>	R-30 Residential	Residential/Woodlake Subdivision
<b>South</b>	R-30 Residential	Residential/Beaver Creek Subdivision
<b>East</b>	R-1 & R-15 Residential	Vacant
<b>West</b>	R-30 Residential	Residential

**STAFF ANALYSIS**

**PROJECT OVERVIEW**

**Subdivision Request:** A *preliminary* plan has been submitted for Bailey Farms Subdivision. This property is located on US 401 Hwy in Harris Township in the R-30 Residential Zoning and Airport Overlay District. The preliminary plan is for the subdivision of approximately 31.02 acres into 29 lots. The subdivision is designed to be served by a community water system and septic systems.

**PLANNING & ZONING**

**Land Use Plan:** The Land Use Plan has this property designated as Low Density Residential.

**Setback and Lot Size:**

Zoning District	Min. Square Footage	Min. Road Frontage	Min. Front Setback	Min. Side Setback	Min. Rear Setback
<i>Existing Zoning</i> R-30 Residential	20,000	100	30	10	25

**Water/Sewer Service:** The development is designed to be served by a community water system and septic systems.

**Transportation:** The proposed subdivision is located off of US 401 Hwy. The 2012 average daily traffic count for US 401 Hwy is 9,600 vehicles per day. Information from the NC Department of Transportation states when the US 401 Hwy widening gets funded and built, this drive will become a right in right out driveway.

**Environmental Issues:** The Bailey Farms Subdivision preliminary plan has a riparian buffer and several small flood zone areas on the eastern portion of the property. The Tar-Pamlico stormwater management review for the preliminary plan has been submitted and reviewed by Appian Consulting Engineers, with additional items required prior to final plat approval.

Comments from the Franklin County Health Department: Generally, the lots appear to be suitable for on-site sewage disposal. Lots 5, 11, 19, and 24 appear to have some useable soil limitations and may require particular placement of the house or special system considerations. This in no way guarantees septic approval of any or all lots.

**Schools:** Royal Elementary, Bunn Middle, and Bunn High are the schools that will serve this subdivision.

### **PLANNING STAFF RECOMMENDED PLANNING BOARD DISCUSSION ITEMS**

Review proposed Subdivision Request for the approval of the preliminary plan, solicit comments or questions and make a recommendation.

### **PLANNING STAFF RECOMMENDATION TO THE PLANNING BOARD**

Recommend approval of the preliminary plan for Bailey Farms Subdivision, located off of US 401 Hwy in Harris Township for the subdivision of approximately 31.02 acres into 29 lots with the following conditions:

- Sedimentation and erosion control plan approval.
- Approved landscaping in accordance with Article 14 of the Franklin County UDO.
- Approval by the NC DOT.
- All road designs and entrances must meet NC DOT standards.
- Prior to Final Plat, ensure all lots can accommodate on-site septic treatment and disposal. If a variance of UDO development standards is applied for in the future, a hardship will not be present.
- Water system approved by the NC Department of Environmental and Natural Resources.
- Community wells and 100 ft radius for Beaver Creek Subdivision and Woodlake Subdivision shall be reflected on final plat. Setbacks from the well must be maintained. If a variance of UDO development standards is applied for in the future, a hardship will not be present.
- Final Tar-Pamlico stormwater Review approval.
- Payment in lieu of land dedication shall be required unless the provisions of Article 31 of the UDO are satisfied.
- All other standard conditions of subdivision approval as listed in the Franklin County UDO.
- Prior to final plat, the following items shall be submitted:
  - Landscape Plan
  - Recorded Covenants
  - Street lighting plan
  - Mail center is subject to County and NC DOT approval.
