

“TAKE PRIDE IN AMERICA”

NEW: “IN GOD WE TRUST” LICENSE PLATE - NC

The Soldiers & Airmen Assistance Fund, Inc. is proud to announce that the updated design for our “In God We Trust” license plate is now available in NC. The new design features “In God We Trust” (the official motto of the US), the American Eagle (the national emblem, symbol of freedom, authority and power), in the background the US Flag (represents our expression of patriotism), the letters S and A (stands for Soldiers and Airmen), a white background behind the numbers and North Carolina in red (representing the energy and strength of our great state). The In God We Trust is the most patriotic specialty license plate in North Carolina. Of the extra \$30 annual fee for the specialty tag, \$20 goes to Soldiers & Airmen Assistance Fund to support the citizen soldiers of the North Carolina National Guard. “The theme of this plate is a true expression of our patriotism. Our goal was to design a plate that every North Carolinian would be proud to put on their vehicle. We now have a plate that is attractive, with the right colors, that stands out and makes people notice. We hope North Carolinians will help us honor our Guardsmen, our veterans and everyone wearing the military uniform that protects our state and nation,” said Dennis Roach, retired Sergeant Major and Director of the SAAF.

To order your plate, visit www.ncdot.gov/dmv. Click Online Services Tab, Order Personalized & Specialized Plates, Order Special Plate, click “I” to locate “In God We Trust” plate and click on the image.

If you currently have the plate with the yellow ribbon on it and would like the new one, DMV said you need to go by one of their offices and tell them you want the new one. If you go online to order, you will just receive the stickers and not the new plate.

Visit our saaf-nc.com information on the NC National Guard and the plate.
