### 7. FY24 Anticipated Engagement by Project Sponsors (Liz Raskopf & Courtney Wilson, GoTriangle) Attachment F

GoTriangle is responsible for coordinating the presentation of engagement updates by project sponsors. Staff review the Recommended Wake Transit Work Plans to identify the project sponsors who will have engagement associated with their newly funded project or phase. CE Members will review the list of anticipated project sponsor presentation in FY2024, which includes both new projects as well as continuing efforts from prior year Wake Transit Work Plans.

### 8. Wake Transit Engagement Strategy - Short Form (Rocio Antelis, GoTriangle) Attachment G

GoTriangle will present the updated short form of the Community Engagement Strategy Template for review and approval by the subcommittee. The purpose of the short form is to provide a simplified version of the engagement strategy template for use by project sponsors for their presentations of engagement strategies to the CE Subcommittee, which are required prior to engagement.

### 9. Project Sponsor Presentations:

- a. Caleb Allred/Stephanie Plancich - Showing of coverage featuring Morrisville's Smart Shuttle Service
- b. Stephanie Plancich – Expect calendar clean up in July. Old invitations will be deleted and new (with recent outlook updates) will be created and sent for all TPAC August meetings.
- c. Southeast Area Study Update by CAMPO

The study team for CAMPO's Southeast Area Study Update has begun the second phase of public engagement. This phase is focused on gaining feedback on the draft set of multimodal transportation improvement recommendations and how they should be prioritized. Briefly, this phase includes:

- Public Symposium on June 22nd from 5-7pm at Garner Town Hall
- Online Survey – open until July 16 (this includes our demographics question beta testing!)
- Online interactive map by mode (bike/ped, roadway, intersections, and transit)
- Tabling/Popups - ongoing
- Project Website: <https://seareastudyupdate.com/>
