

Agenda Item Summary Sheet
PD Meeting 7/28/2026

Item #: 6

Item Title/Project Name: I-40 and Cary BRT MIS Schedule & Scope

Project Contact: Ben Howell

Agency/Organization: Wake Transit Program Manager

Email: ben.howell@campo-nc.us

Phone: 984-542-3609

Item Type: ☐ Action
☒ Information
☐ For Review (Deadline: _____)

Executive Summary/Key Points:

CAMPO staff are currently scoping a Major Investment Study (MIS) for the proposed I-40 BRT route and the proposed Cary BRT Route, both outlined in the 2035 Wake Transit Plan. The MIS will evaluate both potential routes for implementation feasibility and schedule, as well as the feasibility of the proposed RDU Airport Exchange Station on I-40.

Attachments: None

Background:

The 2035 Wake Transit Plan identified two new BRT routes for further evaluation and implementation: a BRT route along I-40 connecting downtown Raleigh to RTP, and a BRT route in Cary along Harrison Avenue and Kildaire Farm Road connecting I-40/SAS Campus to the Regency Park area. The Plan identified a need for a MIS to be completed to study the feasibility of these two routes, prioritize the routes, and develop an implementation schedule.

The FY27 Wake Transit Work Plan included \$1 Million in funding for CAMPO to conduct the MIS. The MIS is expected to kick off in late August or early September and be completed by early 2028. CAMPO staff will provide an update on the scope that is under development and provide additional details about the project schedule.

Discussion: None

Scope/Financial Impact: None

Action Description: Receive as Information.

Next Steps:

Once the scoping is complete, CAMPO will have the contract approved by the Executive Board in August. Once the contract is executed, a kick-off meeting will be scheduled with the consultants and stakeholders.
