

WAKE COUNTY TRANSIT PLAN

FY 2026 Quarter 4 Amendment Request Package: Engagement Summary Report

In accordance with the Wake Transit Amendment Policy and Community Engagement Policy, CAMPO and staff posted the two requested FY 2026 4th Quarter amendment requests for public review from March 9, 2026, to April 10, 2026. As part of this process, it was ensured that TPAC members, stakeholders and community members were aware of the opportunity to review and provide comment on the requested amendments by posting the engagement notices on the CAMPO Website, the Wake Transit Work Plan webpage, and the WakeTransit.org PublicInput site. The engagement for these requests coincided with the engagement for other Wake Transit efforts, including the Wake Transit Plan Update. Images of the web posts are included as well as comments and information pertaining to the comments.

Those who engaged with the online materials and wanted to provide a comment were given the opportunity to provide input on each of the amendment requests received. No direct comments were received during this amendment cycle and therefore, no changes were made to the posted amendments
