Section 5310 Call for Projects

July 28, 2026

Call for Projects Opens August 17, 2026

On August 17, 2026 [GoRaleigh](#) and the [Capital Area Metropolitan Planning Organization](#) (CAMPO) will open a Call for Projects for the Federal Transit Administration (FTA) [Enhanced Mobility of Seniors and Individuals with Disabilities Program](#) (49 USC Section 5310), or Section 5310 Program for the Raleigh area.

The Section 5310 Program provides grants to assist non-profit organizations, private operators and public agencies providing coordinated transportation services planned, designed and carried out to meet the needs of elderly persons and persons with disabilities.

The Call for Projects opens on August 17, 2026. All applications will be due to GoRaleigh no later than September 14, 2026 at 5:00 PM EDT. Note that all disbursements under the new program cycle remain dependent upon a successfully executed grant agreement with the FTA.

Grant Engagement and Learning Opportunities - New Options Added!

For this year's grant cycle, GoRaleigh and CAMPO are providing enhanced resources and learning opportunities for grant applicants, including holding an expanded grant webinar prior to the call and providing Office Hours during the grant application period.

Get started by attending the Grant Application Webinar or viewing as a recorded presentation:

A grant application webinar will be held August 10, 2026 ahead of the Call for Projects to explain the grant process. A recording of the webinar will also be made available online the following week. Interested parties are encouraged to get informed through either one of the following offerings:

- **Section 5310 Grant Webinar, August 10, 2026 from 1:30 pm - 3:30 pm** - Click [here](#) to register and you will be added to the meeting and sent the workshop Zoom link.
- **Recorded Presentation** - An online recording of the grant webinar will provide information about the grant process and is anticipated to be available by August 17.

**Register for the
Webinar**

Dive deeper and bring your question to new Office Hours:

Sign up to attend office hours to get help with preparing your application. Visit the [booking page](#) and navigate the calendar to select an available time slot on Tuesdays or Fridays between August 18 and September 4 or on Thursday September 10. Come prepared with questions about the program or developing your application. A drop-in session will be held on Tuesday, Sep 8, 2026 from 1:00 - 4:00 pm with no pre-booking required. A link for the drop in session will be provided in the next program update.

Book an appointment for office hours

Please share this call for projects with others who may be interested!
