Action: The Council will consider approving meeting minutes from the April 24, 2014 meeting.

Old Business

None

CAMPO Hot Spot Studies

As the FY 14 Hot Spot studies get underway, consultants from STV and Gannett Fleming will be present to kick off the studies of the US 1/1A/Falls of Neuse intersection study and the US 1 Corridor Study mapping update. The US 1 Council of Planning will act as the steering committee for both studies.

- **US 1 / 1-A / Falls of Neuse Intersection Study**
 - o Brian Lusk, STV, Inc.
 - Report on existing conditions
 - Discussion regarding feasible interchange types for this intersection
 - Discussion regarding interim improvements
- **US 1 Corridor Study Phase 1 & 2 Executive Summary Consolidation and Interim Improvement Recommendations**
 - o Jeremy Goldstein, Gannett Fleming
 - Review findings from initial development review and traffic analysis
 - Discussion about how Council will handle areas where development has affected feasibility of original frontage/backage road recommendations
 - Discussion regarding potential locations/intersections for interim improvements
