

U.S. 1 COUNCIL OF PLANNING MEETING

January 29, 2015
Wake Forest Town Hall
301 S. Brooks St.
9:00 A.M.

Agenda

Welcome/Introductions

Eric Lamb, Chair, will give the welcome and introductions.

Elect 2015 Chair and Vice Chair

At the first meeting of each calendar year, the US 1 Council of Planning elects a Chair and Vice Chair to serve for that year. The officers of the Council of Planning will consist of a Chair and a Vice-Chair serving annual terms. The Chair and Vice-Chair shall each be a representative from one of the “regular member” communities on the Council of Planning. A member of the Capital Area MPO staff shall serve as Secretary for the Council of Planning.

Meeting Minutes

Meeting Summary – June 26, 2014 (no official minutes due to lack of meeting quorum)

Action: Receive as Information

Meeting Minutes – May 22, 2014

Action: The Council will consider approving meeting minutes from the May 22, 2014 meeting.

Old Business

CAMPO Hot Spot Studies

The two CAMPO Hot Spot studies along US 1 were completed in June 2014, with final reports being produced in July 2014. Council members will consider approval of the recommendations from the studies.

- **US 1 / 1-A / Falls of Neuse Intersection Study**
 - Present Recommendations
 - **Action:** Consider approval/endorsement of recommendations

- **US 1 Corridor Study Phase 1 & 2 Executive Summary Consolidation and Interim Improvement Recommendations - <http://www.campo-nc.us/CorridorStudy/index.html>**
 - **Action:** Review US 1 online mapping; consider endorsement of final product

New Business

Proposed Apartment Development at Circle Drive

Attached is a .pdf of the site that is currently in a due diligence period for development as an apartment complex. The .pdf shows the proposed alignment of the frontage and backage road connections to existing access points.

- **Action:** Discussion and action as necessary

U-5307 Update – In the Draft 2015-2025 STIP, the U-5307 project is programmed for ROW acquisition in FY 2021 and FY 2022. Construction is programmed in FY 2023-2025. NCDOT is currently developing a schedule for project design with RS&H. More information will be available in coming months.
