

**GO FORWARD**  
A COMMUNITY INVESTMENT IN TRANSIT

**FY21**

**RECOMMENDED  
WAKE TRANSIT  
WORK PLAN**

**APRIL 2020**

## WHAT IS THE FY21 RECOMMENDED WAKE TRANSIT WORK PLAN?

- Identifies new and continuing transit projects and services
  - July 1, 2020 - June 30, 2021 (Fiscal Year 2021)
- Allocates Wake Transit Plan tax revenues, including the voter-approved ½ cent sales tax
- Administered by the Transit Planning Advisory Committee

# PROJECTS RECOMMENDED FOR FUNDING BEGINNING AFTER JULY 1

- GoTriangle's 305 extension and GoCary's Apex-Cary Express will provide peak hour service connecting Holly Springs to transit for the first time
- GoApex Route 1 Fixed-Route Circulator: NEW hourly frequency fixed-route circulator to run throughout Apex
- GoApex Route 1: Bus Stop Installation/Improvements

# PROJECTS RECOMMENDED FOR FUNDING BEGINNING AFTER JULY 1

- GoRaleigh Route 21 (Caraleigh) improvements: Monday – Friday Midday frequency improvements (from 60 minutes -> to every 30 minutes) and all day on Weekends until 7 PM (60 -> 30)
- Town of Morrisville: Installation/Improvements to Bus Stops and Nodes for Node-Based Smart Shuttle
- Northeastern Wake County Microtransit Study
- Final design, right-of-way acquisition, construction, and procurement of vehicles for New Bern Avenue BRT

## PROJECT HIGHLIGHTS CONTINUING FROM PREVIOUS YEARS

- More frequent bus service
- Bus stop improvements
- GoWake ACCESS trips
- Bus Rapid Transit planning and design
- Greater Triangle Commuter Rail Study
- Youth GoPass
- Free Fare for Seniors

*Operating projects recommended to put on hold due to the Coronavirus pandemic.*

*\*Additional local transit revenue information available fall 2020 will begin to determine future project implementation schedules.*

## PROJECTS RECOMMENDED FOR FUTURE IMPLEMENTATION

- GoTriangle expansion of Route 305 to all day service
- GoRaleigh Glenwood Avenue route package
- GoRaleigh remainder of Route 21
- Wake County additional rural general public, elderly and disabled demand-response trips
- Morrisville operation of node-based smart shuttle
- GoTriangle & GoCary staffing requests

*Capital projects recommended to put on hold due to the Coronavirus pandemic.*

*\*Additional local transit revenue information available fall 2020 will begin to determine future project implementation schedules.*
