

ATTACHMENT F

TPAC Fare Working Group – Work Task List

- 1) Develop and propose regional fare policy and fare pricing structure changes—as well as coordinate approval with each Partner agency
- 2) Craft Mobile Ticketing joint RFP
- 3) Review Mobile Ticketing Vendors
- 4) Select and Procure Mobile Ticketing Vendor
- 5) Coordinate the necessary software development/testing and hardware installation for the implementation of mobile ticketing
- 6) Negotiate any changes to revenue sharing policies between transit partners, for the GoPass and Regional pass
- 7) Perform analysis to confirm Wake Transit “hold harmless” amount
- 8) Finalize process for Partners to submit reimbursement for revenue loss due to fare policy changes as recommended through the Wake Transit Fare Study
