Date Posted: June 5, 2026

RFQ Title: Knightdale Boulevard (US 64 Business) Corridor Study

The following questions were submitted in response to the Knightdale Boulevard (US 64 Business) Corridor Study. Answers are provided below. Where applicable, clarifications or updates to the RFQ are noted.

**Question 1:** The RFP indicates conflicting times (5pm on page 3, and 11am on page 8) for proposal submittal on June 12<sup>th</sup>. Can you please clarify which submittal time is correct?

**Answer:** The submittal time is 5pm on June 12<sup>th</sup>.

**Question 2:** Pg 9 states that the respondent needs to be a registered vendor with the Town of Cary – do we also need to be registered with the Town of Knightdale?

**Answer:** The vendor registration requirement is with the Town of Cary as selected consultants will be entering a contract with CAMPO and the Town of Cary serves as CAMPO's Lead Planning Agency. You do not need to be registered with the Town of Knightdale.

**Question 3:** Pg 8 states that no cost proposals should be included due to the Mini-Brooks Act, but the hours estimated for each task are mentioned in the Project Understanding and Proposed Approach section. Please confirm that providing estimated hours is not a violation of the Mini-Brooks Act requirements.

**Answer:** Correct, we are requested estimated hours for tasks to understand the approach of the consultant and are not looking for cost proposals in line with the Mini-Brooks Act.

**Question 4:** With the likely need for traffic counts for the corridor, will CAMPO be providing recent traffic data, or is the consultant responsible for a full data collection effort for all 19 signalized intersections and two interchanges?

**Answer:** CAMPO will help supply most recent traffic count data available from NCDOT and the Town of Knightdale for intersections and interchanges in project study area, there may be intersections that need updated numbers which the consultant would be responsible for collecting.

**Question 5:** Will the Bus Rapid Transit alignment studies and relevant documents be provided?

**Answer:** Bus Rapid Transit Studies and relevant documents will be provided to selected consultant.

**Question 6:** Want to confirm that the cover letter does not count towards the page limit. Could you please confirm?

**Answer:** The cover page is excluded from the 25-page count.

**Question 7:** Will an addendum be released today (June 5<sup>th</sup>, 2026)?

**Answer:** The CAMPO responses to questions asked will be posted to their website at 5:00pm on June 5<sup>th</sup> 2026.
