

Grab a marker and tell us your thoughts on transportation safety.

What would you be willing to do to make roads safer in your community and across the region?

Use the dots for the items you select or use a marker to add other ideas. Select all that apply to you.

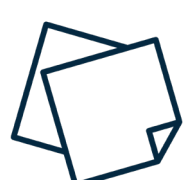

Leave earlier for my destination to make sure I do not have to drive over the speed limit

Avoid distractions if I drive such as texting.

Walk, bicycle, or ride transit when my trip is short (1-3 miles)

Communicate the importance of transportation safety to family, friends, neighbors, and other people I know

Write in other things you can do to make transportation safer

The countermeasures below are examples of researched strategies for improving safety for all modes of travel.

Place a dot in the box that best corresponds with your perception of each countermeasure.

	 This countermeasure is great and I would like to see more	 I'm not sure how I feel about these	 I don't like these and/or they are confusing
 ROUNDBABOUTS			
 LIGHTING			
 ALL-WAY STOPS
