Future:
Building the East Coast
Greenway**

East Coast

Greenway[®]
ALLIANCE

Connecting people to place, Maine to Florida.

At 3,000 miles, the East Coast Greenway connects our nation's most populated corridor, from Maine to Florida.

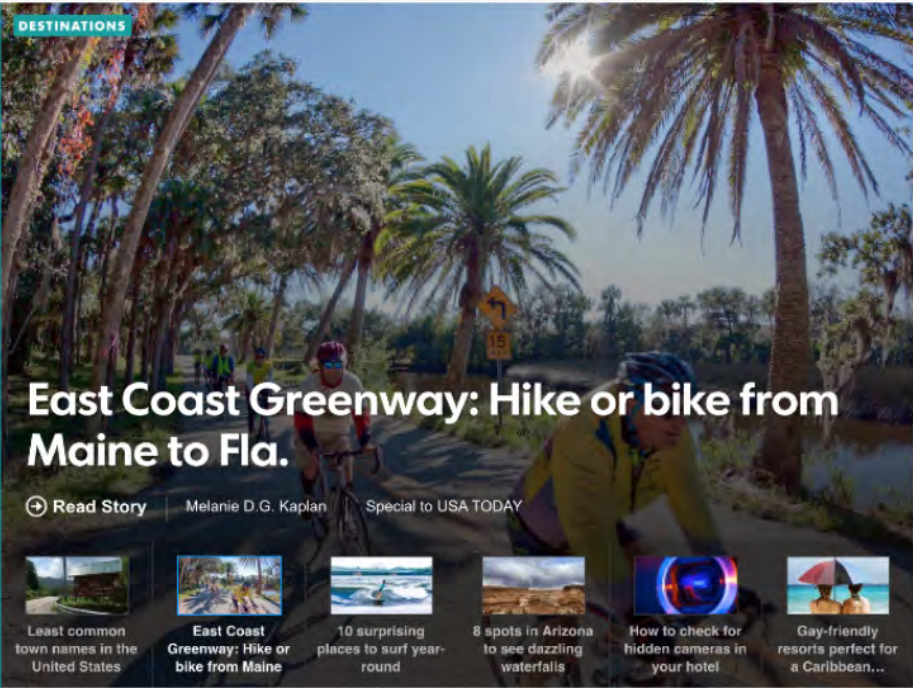

Almost 1,000 miles built, and now record Greenway use begins

Bicycling boom

TEXT JASMIN LÖRCHNER
PHOTOS KATHARINA POBLITZKI

The East Coast Greenway bike trail will soon run the length of the Eastern Seaboard in the U.S. Switching from car seat to saddle is all the more exciting the car.

The median risk has stayed low.

Funding models

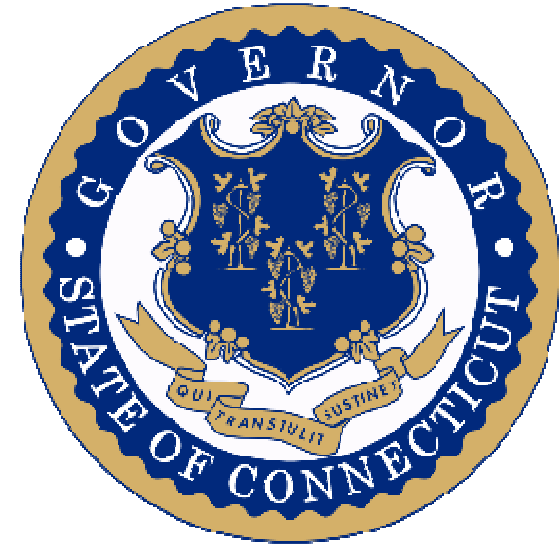

Investing in health, safety, transportation alternatives, tourism and economic development

Connecticut

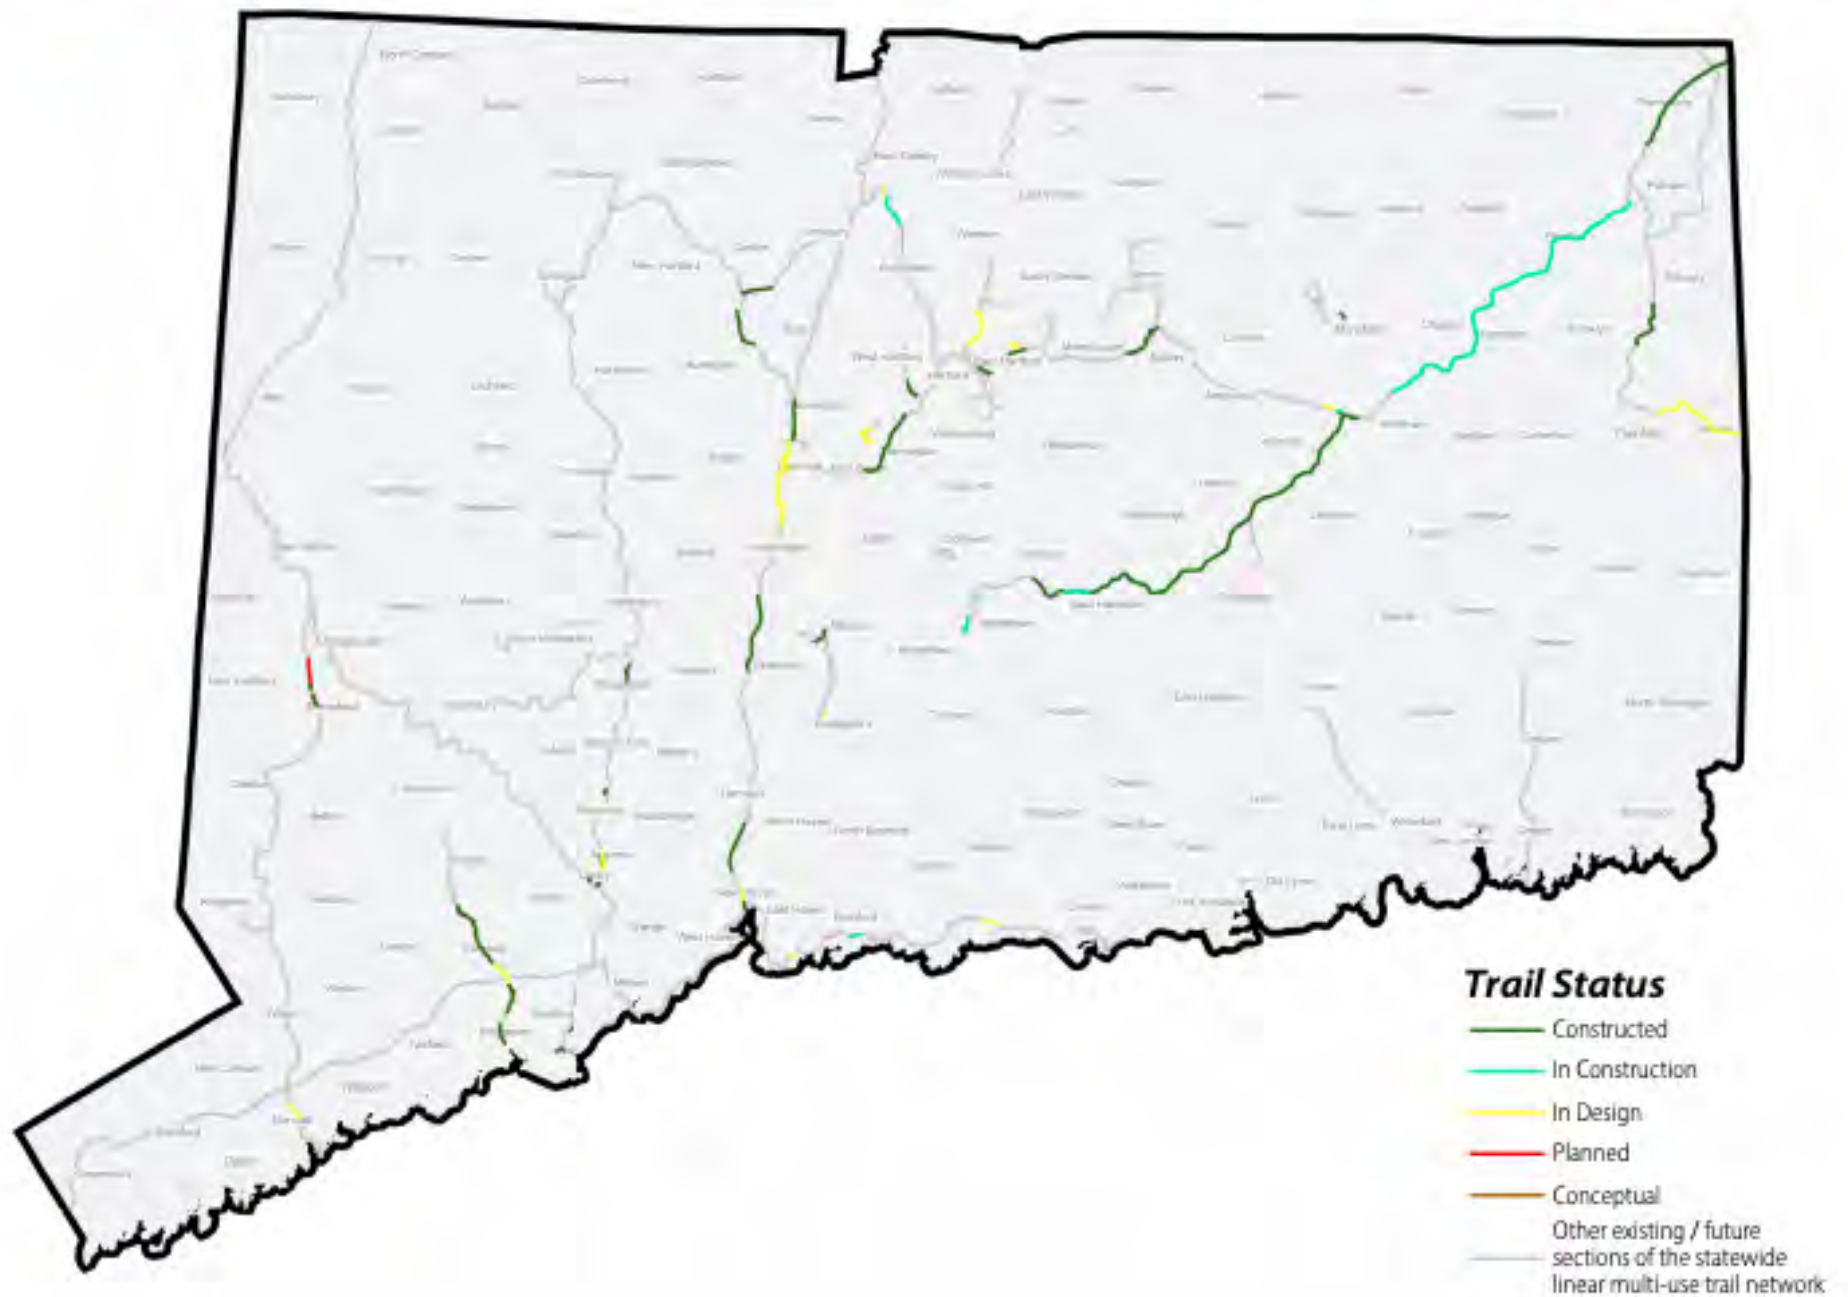

LET'S GOCT!

	<u>Planned</u>	<u>Allocated</u>
2017	12.3M	14.9M
2018	12.7M	10.7M
2019	25.2M	2.7M
2020	11.2M
