NC Bike Summit

SAVE THE DATE!

NC Bike Summit: Friday & Saturday, October 12-13, 2012
NCSU McKimmon Center, Raleigh NC

*Hosted by NC Active Transportation Alliance

Join planners, business owners, nonprofit leaders, elected officials and advocates from across North Carolina for the state's inaugural statewide Bike Summit.

The two-day event will be a great opportunity to network and learn from others about local and regional initiatives covering topic areas such as education and public outreach, health and recreation, on-road and off-road facility design and engineering, economic development and creative funding sources.
