Why it Matters

Safety

2015 Fatalities:

23 

 182

Economy

Bicycle & Pedestrian facilities create

2 x 

vs. Highway projects

Health

51%

adults will be obese by 2030

Demographics

+101,000

Workers in NC without access to a car

6 in 10

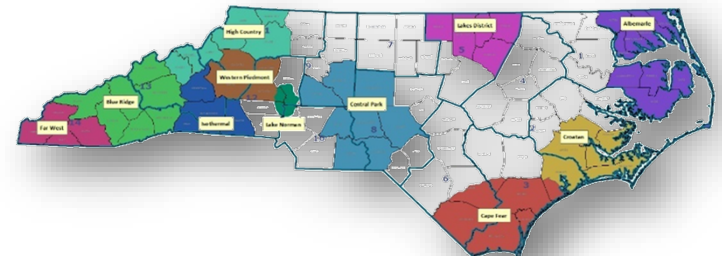

drive because they have no other option

Great Mode Choices Make Great Places

A stylized graphic of a road scene. A white car, a white bus, a motorcycle, and a pedestrian are shown on a road with a blue sky and green grass background. The road is a light gray color with a white line. The car is on the left, followed by the bus, then the motorcycle, and finally the pedestrian on the right. The background is a solid blue color with a green grassy area on the right side.
