

# WESTERN CORRIDOR RAPID BUS EXTENSION DRAFT RECOMMENDATIONS FOR REVIEW

The Capital Area Metropolitan Planning Organization (CAMPO) is conducting a study to identify and evaluate rapid bus service options for extensions to the planned Wake Bus Rapid Transit (BRT).

This rapid bus extension would span between **Cary and Research Triangle Park (RTP)** and would build upon the Wake BRT: Western Corridor, which is currently under development as a separate project.

The study team is seeking feedback from members of the community on the findings and draft recommended alignment by December 16, 2022.

## Provide your input:

# SOUTHERN CORRIDOR RAPID BUS EXTENSION DRAFT RECOMMENDATIONS FOR REVIEW

The Capital Area Metropolitan Planning Organization (CAMPO) is conducting a study to identify and evaluate rapid bus service options for extensions to the planned Wake Bus Rapid Transit (BRT).

This rapid bus extension would span between **Garner and Clayton** and would build upon the Wake BRT: Southern Corridor, which is currently under development as a separate project.

The study team is seeking feedback from members of the community on the findings and draft recommended alignment by December 16, 2022.
