## RESOLUTION REAFFIRMING CAMPO'S SUPPORT FOR COMPLETE STREETS

WHEREAS, the Executive Board has found that the Metropolitan Planning Organization is conducting transportation planning in a continuous, cooperative, and comprehensive manner in accordance with 23 USC 134 and 49 USC 1607; and

WHEREAS, the Capital Area MPO Executive Board expressed its support through resolution for the comprehensive implementation of the NCDOT Complete Streets Policy into all applicable policies, plans and projects as a matter of common practice across the State of North Carolina as of June 19, 2019; and

WHEREAS, the Capital Area MPO has historically supported Complete Streets principles and concepts as early as 2003 with the adoption of "universal access" to streets for bicyclists and pedestrians through the adoption of the Capital Area MPO Bicycle and Pedestrian Plan; and

WHEREAS, the Capital Area MPO has supported the implementation of NCDOT's Bicycle and Pedestrian Planning Grant Initiative in 2004, and has subsequently provided resolutions of support for member jurisdictions applying for the annual grant; and

WHEREAS, the Capital Area MPO renews its commitment to implement Complete Street Policies through interagency coordination with local governments and NCDOT, embraces the modern use of "complete streets" instead of "universal access" as a transportation policy and design approach, and continues to pursue the objective that the transportation system benefits all users equitably, particularly vulnerable users and the most underinvested and underserved communities;

NOW THEREFORE, BE IT RESOLVED:

That the Capital Area MPO hereby reaffirms CAMPO's support for Complete Streets policies and principles that will continue to promote economic growth, quality of life, safety, and equitable benefits for all users on this the 19th day of August 2020.
