

## **MTP Report Change Log (since original draft put out for public comment):**

Updated in January 29, 2026 Draft

- Updated Cover to revise date and remove CPRC logo
- Updated Table of Contents to add Appendix 16
- Added Acknowledgements page (page iii)
- Updated draft date on page iv
- Updated links to TWTPPO online mapping of highway and transit projects on pages 5 and 7, and pages 67 and 69 (now links to newest version of TWTPPO AGOL story map)
- Minor updates to Performance Measure naming and page/table formatting in Section 4.4 (pages 27-30)
- Updated Travel Choice Neighborhoods map and data on pages 59 and 61 (original map/data was based on outdated info and needed to be updated)
- Corrected a reference on page 106 to say "Title VI Communities" instead of "Communities of Concern"
- Added the missing "Project Portfolio" section of Section 9.3 (starting on page 106) and added the missing values to table 9.3.3
- Corrected Project A480a2 on page 134 to indicate that the project was NOT AQ Exempt (in response to agency comment on Air Quality Conformity document)
- Added links to MPO federally-required Transportation Performance Measure webpages on page 215 (later became 217)
- Updated 2026 safety performance targets for TWTPPO in Table A13.2 (page 216 (later became 218))
- Added Appendix 16 (Other Performance Measures), which was not previously available

Updated in February 3, 2026 Draft

- Updated Cover to revise date and updated draft date on page iv
- Project A943 updated to Horizon Year 2035; previously in the CTP (page 133)
- Project A98b updated to Horizon Year 2045; previously in the CTP (page 140)
- Updated page numbering for Appendices 2-16 due to changes in Appendix 2 that added 2 additional pages

Updated in February 9, 2026 Draft

- Updated Cover to revise date and updated draft date on page iv
- Updated the map in Figure 2.2.2 on page 12 to include the new section of NC 540 between NC 55 and I-40 (per comment received from public)
- Fixed a typo on page 65 to say "shown" instead of "sown" (per comment received from public)

- Updated Model MOE tables in Appendix 10 based on the results from the final model run
- Added a section in Appendix 16 to show transit-related performance measures (filling in a placeholder from prior document versions)

**Air Quality Conformity Determination Report Change Log (since original draft put out for public comment):**

Updated in January 28, 2026 Draft

- Added public notice information in Appendix D
- Added comments received from review agencies and responses to the comments in Appendix E
- Made a correction to project A480a2 to mark this as not exempt (in response to agency comment)

Updated in February 9, 2026 Draft

- Added projects A943 and A98b to CAMPO's project list in Appendix A, since these had been moved from the CTP into the MTP horizon years
- Added the following projects to CAMPO's project list in Appendix A, which were mistakenly omitted from the original document: A791, A787, A658, A793, A661, A792, A660, A663, A655, F84, F85, A13d
- Added a note in Appendix E noting the added projects described above
