Poster Paper Bag Contest guidelines:

Planet Aid is hosting their first annual Earth Day Event on **Saturday April 26th from 10am to 2pm**. In effort to draw attend to the event & more importantly ask the community to recycle, we would like to ask the Woodland Elementary school kids to participate in our Earth Day Poster Competition. I am receiving brown paper bags from a local grocery stores, each student in the school decorates a paper grocery bag from with a picture of the earth, the words "PLANET Earth Day 2014" the name of their school, there first name and a catchy Earth Day slogan (i.e., Re-duce, Re-use, Re-cycle, Treat the Earth Well, Do Your Part for our Planet etc.). After the bags are decorated, the children should fill the bags with clothes & shoes and bring them to the Earth Day event:

Saturday April 26th from 10am to 12:30pm.

Planet Aid

47 Sumner Street, Milford

...a booth will be dedicated for this contest Planet Aid employees will display all the bags at the Earth Day Event. **Three winners** will be chosen and announced over the radio at **1pm** that day. Prizes will be awarded!

The bags will then be distributed to shoppers at various stores during Earth Week on Sunday - depending on the number of bags.

Thank you,

Adrienne Currin
