

Safe Kids Car Seat Program

Montgomery County Health Department offers a car seat safety class the 1st and the 3rd Thursday of every month at 2pm at the Community Health Services Building in Troy. Car seats are new and available for \$15 per seat for individuals who receive public assistance (Medicaid, WIC, food stamps, etc.). Individuals not on assistance may receive a seat for \$40. Pre-payment for your seat is now required **no later than two days before** your scheduled class time. Payment can be brought to the Montgomery County Health Department or mailed to the Health Department with Attn. made to Kimberly Burger. Payment accepted is cash or check. If writing a check please make the check out to First Health. Please call Kimberly Burger or Rhiannon Bardel at the Health Dept. at 910-572-1393 with any questions or to sign up call **at least 2 days prior** to the scheduled class time. You must bring your child and the car you plan to use to the class. If unable to make the scheduled class please call to reschedule.

Pictured above is the type of car seat you will receive at the class for a baby under age 2. Car seats for older children may differ from the picture. The Community Health Building is in the same building as First Health Dental Care Center. Enter the back of the building beside Dr. Davis's office. It is the second door. This building is beside the Montgomery Memorial Hospital Emergency entrance.
