Agreement For Electrical Service Prior To Certificate of Occupancy Single-Family Detached- New Construction

Contractor/Owner _____ Date _____

Address _____ Phone _____

Temporary electrical service is requested for construction of single family detached dwelling, which I, my company, partnership, corporation own (circle one). By my signature to this document I agree to all the following conditions:

1. Full and complete responsibility of the energized electrical system, its use and all equipment connected there to. And to maintain a safe working environment during the completion of the dwelling.
2. That service will be authorized for connection by the power utility only after the electrical final inspection is approved (no partial approvals)
3. That the dwelling must be secured against unauthorized entry (all doors and windows installed).
4. That no furniture or personal possessions will be placed in the dwelling, garage, or any other portion of the dwelling.
5. That no occupancy will be permitted until a certificate of occupancy is issued.
6. Electrical service to be in the same name as the contractor/owner indicated above.
7. I agree that **any violation** of these terms will result in an **automatic revocation** of this privilege for a period of **one year**, and any **subsequent violation** will be result in a **permanent loss** of privilege.
