## General Statute 105-277.1 Property Tax Homestead Exclusion For Elderly Or Disabled Persons

North Carolina excludes from property taxes a portion of the appraised value of a permanent residence owned and occupied by North Carolina residents who are at least 65 years of age or are totally and permanently disabled, and whose income does not exceed \$37,900. The amount of the appraised value of the residence that may be excluded from taxation is the greater of twenty-five thousand dollars (\$25,000) or fifty percent (50%) of the appraised value of the residence and up to one (1) acre of land. Income means all monies received from every source other than gifts or inheritances received from a spouse, lineal ancestor, or lineal descendant.

If you received this exclusion last year, you do not need to apply again unless you have changed your permanent residence. If you received the exclusion last year but the property no longer qualifies for any reason, please notify the assessor. Failure to notify the assessor that the property no longer qualifies for the exclusion may cause the property to be subject to discovery with penalties and interest pursuant to G.S. 105-312.

If you did not receive the exclusion last year, but are now eligible, you may obtain an application from the Montgomery County Department of Property Tax. Applications are also available online at <a href="https://www.montgomerycountync.com">www.montgomerycountync.com</a> It must be filed with the county assessor by June 1.

## General Statute 105-277.1B Property Tax Homestead Circuit Breaker Deferment

North Carolina defers a portion of the property taxes on the appraised value of a permanent residence and up to one (1) acre of land owned and occupied by a North Carolina resident who has owned the residence for five consecutive years and occupied the property at least five years, is at least 65 years of age or is totally and permanently disabled, and whose income does not exceed \$56,850. If the owner's income is \$37,900 or less, then the portion of property taxes imposed on the residence that exceeds 4% of the owner's income may be deferred. If the owner's income is more than \$37,900 but less than or equal to \$56,850, then the portion of the property taxes on the residence that exceeds 5% of the owner's income may be deferred.

The deferred taxes become a lien on the residence and the most recent three years of deferred taxes preceding a disqualifying event become due with interest upon one of the following disqualifying events: 1) the owner transfers the residence; 2) the owner dies; or 3) the owner ceases to use the property as a permanent residence. Multiple owners of a permanent residence must all qualify for the circuit breaker before a deferment of taxes will be allowed.

You must apply for the opportunity to defer property taxes each and every year that you wish to defer taxes. The application may be obtained from the Montgomery County Department of Property Tax or online at <a href="https://www.montgomerycountync.com">www.montgomerycountync.com</a> and must be filed with the county assessor by <a href="https://www.montgomerycountync.com">June 1</a>.

Note: An owner who qualifies for both the property tax homestead exclusion and the property tax homestead circuit breaker may elect to take only one of these forms of property tax relief.

#### General Statute 105-277.1C Disabled Veterans Exclusion

This program excludes the first forty-five thousand dollars (\$45,000) of the appraised value of a permanent residence and up to one (1) acre of land owned and occupied by a North Carolina resident, who is an honorably discharged disabled veteran. This benefit is also available to a surviving spouse (who has not remarried) of either (1) an honorably discharged disabled veteran, (2) an honorably discharged veteran who died as a result of a service-connected condition, or (3) a service member who died from a service-connected condition in the line of duty and not as a result of willful misconduct. The disability must be a permanent total disability that is service-connected or the veteran must receive benefits for specially adapted housing under 38 U.S.C. 2101.

A disabled veteran who has a permanent total disability that is service-connected must provide a Veteran's Disability Certification (Form NCDVA-9) from the VA.

A disabled veteran who has received benefits for specially adapted housing under 38 U.S.C. 2101 must show proof from the VA of the benefits received under the program (Form NCDVA-9).

An unmarried surviving spouse of an honorably discharged disabled veteran must provide proof that the deceased spouse met all the requirements at the time of death (Form NCDVA-9).

Montgomery County is on a permanent real estate listing system. Real estate property owners are no longer required to list their  $\Rightarrow$  land and buildings on an annual basis, but any improvements made to the property <u>must be listed</u> in January, along with all types of personal property. Failure to report such property <u>will result in a late listing penalty</u> equal to 10% of the amount of the tax.

#### TYPES OF PROPERTY THAT MUST BE LISTED

A permanent listing system does not affect the listing of personal property. All motor vehicles with a current annual North Carolina tag and registration <u>are not to be listed</u>. However, any unregistered or multi-year/permanently tagged vehicles and trailers, along with watercraft and motors, personal property manufactured housing, aircraft, business equipment and farm equipment must be listed annually. Listing forms will be mailed to taxpayers who reported these types of assets the previous year.

IT IS STILL THE DUTY OF REAL PROPERTY OWNERS TO REPORT ANY IMPROVEMENTS MADE TO REAL PROPERTY. Such improvements may include but are not limited to: building a deck, finishing a basement, adding a porch, carport, garage, barn, pier or dock, or storage building. Failure to report these improvements may result in penalties. Routine repairs and maintenance such as painting, replacing carpet, roof repairs, replacement of fixtures, and other similar improvements need not be reported.

PLEASE REPORT ANY STRUCTURES WHICH HAVE BEEN REMOVED OR DESTROYED SINCE LAST JANUARY 1<sup>ST</sup>.

- H. Present Use Value Program (G.S. #105-277.3) Land parcels presently used for agricultural, horticultural, or forestland may be considered for qualification if the application is made during the regular listing period in January, or within thirty days from date of value change. Landowners already receiving this deferment must notify the tax assessor of any changes in (1) USE, (2) ACREAGE, or (3) OWNERSHIP to avoid penalties. Call (910) 576-4311 if you have questions.
